Terms & Conditions

Payment Terms:

- Freelance trainers can raise invoices only after completing at least 15 training days. Invoices must be raised only for completed training days.
- Subsequent invoices must be raised after completing each additional 15 training days. If the remaining contract duration is less than 15 days, the final invoice must be raised upon completion of the contract.
- Each invoice must be accompanied by the Purchase Order (PO) issued by Arjuncodeacademy before the commencement of services and such invoice must have reference to the respective purchase order number.
- While submitting subsequent invoices, previous invoice linked to the same PO must be shared alongside for ease of reconciliation.
- Invoices should include all reimbursement claims for travel and accommodation. Reimbursement claims must be supported by all necessary documents, such as bills and receipts.
- Reimbursement should be included in the Training service invoice; no separate invoice must be raised for reimbursements.
- Any reimbursement claimed separately after the final invoice for the PO shall be rejected.
- Invoices shall be paid on net 30 basis from date of approval of invoice by Arjuncodeacademy SPOC.
- Invoice including reimbursement claims shall be processed only after approval of Arjuncodeacademy SPOC.
- Reimbursements are limited to limits as agreed upon in MOU.
- All payments are subject to direct and indirect tax laws as applicable.

This is a system generated PO and does not require signature.
